SUMMER

CAMPS

Get ready for a summer filled with creativity, curiosity, and FUN! Our experienced educators provide a blend of educational and interactive play experiences for all children. In addition to the weekly themed activities, campers have daily exploration time in the Children's Museum. Each week of Summer Camp is open to children entering Kindergarten—6th grade for the 2024-2025 school year.

	Full-Day	2nd Child (Siblings Only)	3rd Child (Siblings Only)
cMoe Members	\$190	\$179	\$163
Non-Members	\$223	\$210	\$192

Registration Deadline: Monday at 4PM one week prior to the start of each week of camp.

Extreme Weather: June 2-6

Unleash your inner meteorologist at Weather Works: Extreme Conditions at Play! This exciting and interactive exhibit at cMoe lets kids and families explore the wild world of extreme weather. Step into a wind tunnel, create your own tornado, and discover the science behind blizzards, hurricanes, and lightning storms. Hands-on activities and STEAM concepts bring weather to life, showing how it impacts our planet and our daily lives. Perfect for curious minds, Weather Works is where science, fun, and discovery collide!

Moe-mentous Art: June 9-13

Embark on a whimsical journey through the vibrant world of children's art! In this enchanting collection, young imaginations come to life through a kaleidoscope of colors, shapes, and boundless creativity. From finger-painted masterpieces to crayon-drawn adventures, each piece tells a unique story of laughter, discovery, and the magic of childhood. Celebrate the joyous spirit of creativity with this heartwarming compilation of children's art, where every stroke is a step into a world where imagination can run free.

Global Explorers: June 16-20

Pack your imagination and get ready to explore the wonders of the world at cMoe's Global Explorers: World Travel Camp! This week-long adventure takes campers on an interactive journey across continents, uncovering the art, music, food, and traditions of diverse cultures. Through hands-on activities, creative projects, and exciting games, kids will "travel" to different countries each day, learning about geography, history, and global citizenship. Perfect for young adventurers, this camp inspires curiosity and celebrates the beauty of our diverse world!

Under the cMoe: June 23-27

Under the cMoe Children and the sea have a deep and often magical connection that transcends cultural and geographical boundaries. The vastness and beauty of the sea often evoke a sense of wonder in children. The beach and the sea provide a natural playground for children. Building sandcastles, playing beach games, and splashing in the waves are timeless activities that contribute to physical activity and social interaction.

Innovation Lab: June 30-July 3

Makers & Thinkers Camp, Open to children entering 4th grade and UP
cMoe Members: \$140, Non-Members: \$152

Gear up for four days of creativity and exploration at cMoe's Innovation Lab: Makers & Thinkers Camp! Designed specifically for older middle schoolers, this camp dives into advanced hands-on projects that challenge campers to think critically, collaborate, and create. From engineering challenges and 3D printing to coding and robotics, participants will tackle real-world problems with innovative solutions. With access to cutting-edge tools and guided by expert educators, campers will gain skills in design, technology, and teamwork. This camp is perfect for curious minds ready to build, innovate, and explore the future!

Moe-mentous Science: July 7-11

Throughout messy science we will have hands-on, experimental, or exploratory scientific activities! Have fun in a less controlled or structured environment, allowing for a more creative and engaging experience. Messy science experiments are commonly used in educational settings, particularly with young learners, to foster curiosity and a love for science!

Our Community: July 14-18

Celebrate the heart of Evansville at cMoe's Our Community: Evansville Summer Camp! This unique camp invites children to explore the culture, history, and spirit of our local community through hands-on activities, interactive exhibits, and engaging field trips. Campers will uncover hidden gems of our city, meet local heroes, and dive into the stories that make Evansville special. From creating art inspired by the Ohio River to exploring the wonders of local science and industry, this camp is a fun and immersive way to connect kids with their hometown. Together, we'll build pride, curiosity, and a sense of belonging in the place we call home!

STEAMoe: July 21-25

Come explore the concepts of Science, Technology, Engineering, the Arts, and Math at cMoe! We will explore new technologies and create science experiments based solely on your designs. Want to expand your horizons? Want to design and build your own sky-scraper or suspension bridge? You can at STEAMoe camp!

Bugs and Insects: July 28-August 1

Crawl, flutter, and buzz into a week of discovery at cMoe's Bug Bonanza: Insect Explorers Camp! Young entomologists will dive into the fascinating world of bugs and insects through hands-on activities, interactive exhibits, and outdoor exploration. Campers will learn about pollinators, build bug habitats, and investigate the incredible roles these tiny creatures play in our ecosystems. With creative crafts, science experiments, and up-close encounters, this camp is perfect for kids who are curious about the amazing insects all around us. Let's make this a camp experience that's un-bee-lievably fun!

Camp Hours: 8 AM - 3:30 PM

Lunch is NOT provided by cMoe. Campers must bring a packed lunch. Water and snacks will be provided.

Extended Care is offered for an additional \$15/day.

Extended Care drop-off is 7 AM and pick-up is 5:30 PM.
