

OCTOBER 25

SPECIAL EFFECTS LEARNING LAB

Get ready to transform with makeup magic! Join a local SFX (Special Effects) artist from Evansville's haunted attraction, The Asylum, for an exciting, hands-on workshop. There will be two sessions: one just for kids and one for adults, so everyone can learn the art of special effects makeup!

You'll learn real techniques used by professional makeup artists in the haunt industry!

Kids Learning Lab 12:00PM

- Intro to Special Effects
- Creating scar wax (nose, ears, etc.)
- Using cream paints for scrapes and bruises
- Zombie face paint

Adult Learning Lab 2:00PM

- Intro to Special Effects
- Making scar wax and blood (cuts and scars)
- Special effects teeth
- Creating your own prosthetic (cotton and latex or foam clay)

Member- \$5.00 • Not-Yet Member- \$10.00

Price for kids and adults learning lab.
All material provided, no makeup or
art experience required!
