

STEAMMoe To

GO

The Children's Museum of Evansville (cMoe) is coming to a classroom near you! Our virtual field trips are an enhancement to the classroom learning experience while keeping the joy and fun of field trip learning!

30 Minute Workshops include:

- 10 minutes of introduction to the lesson
- 10 minutes of direct instruction
- 10 minutes of Wrap up and Q&A

All virtual programs will be presented live, with instruction for hands-on activities and time for Q&A with students. All workshops will include activities to meet academic standards for all grades. Every student in the classroom will receive a **FREE** cMoe pass to use at a later date!

Topic Choices Include:

- The Metric System Made Easy
- Math Wise: Adding Up vs. Multiplication
- Clock Talk
- Just Add Water: Precipitation & The Water Cycle
- Master The Paper Airplane
- Elbow Room: Learn About Population Density

Pricing for virtual workshops:

One (1) Workshop

Cost: \$150 + \$25 for shipping activity kits

Students Served: 1-25

Additional Workshop Cost: \$100

Teachers/administrators can schedule workshops by contacting 812.464.cMoe (2663) or info@cmoekids.org. Once a reservation is made, our Education Director will send instructions for the virtual workshop.
